

Out of Judah will come a ruler who
will shepherd the people Israel.

PROVE IT

FIND OUT HOW JESUS REVEALS
HIMSELF AS YOUR SAVIOUR AND KING.

If someone makes a bold claim, like “I can speak six languages!” most people, skeptical of such a feat, might say, “Prove it!” Our skepticism yearns for proof that what someone claims is actually the truth. During the season of Epiphany, we see Jesus revealed as the Savior of the world. But a claim like that might be met with similar skepticism. “Prove it!” skeptical people with skeptical hearts might demand. In each week of this series, we’ll be exploring how Jesus reveals himself as your Savior and King with convincing proofs to the skeptical questions people would ask of him. Worship at Victory with this sermon series, and maybe your skeptical questions about Jesus will be answered too!
